

Wardour FIRE AND SECURITY

PART OF WARDOUR SECURE NETWORKS LTD

Data Sheet

Commander® offers one of the broadest ranges of portable fire extinguishers on the market today, solidifying its position as a true market leader. Over time, these extinguishers have proven to be a dependable choice for almost any situation, with guaranteed reliable performance. Additionally, the Commander 6-litre, 9-litre, 6kg, and 9kg models now feature exceptionally high fire ratings and are certified with the British Kitemark.

AFFF FIRE EXTINGUISHERS

AFFF (Aqueous Film Forming Foam) fire extinguishers offer distinct advantages over water units. They not only have higher fire ratings but are also suitable for Class B fires involving flammable liquids. These extinguishers are highly effective, providing rapid flame knockdown without compromising visibility during evacuation. Our range includes a 6-litre unit with a 21A 144B fire rating and a 9-litre unit with a 27A 183B rating. Both are 35kVa dielectrically tested, ensuring safe use on fires involving live electrical equipment. Kitemarked and backed by a full 5-year warranty, these units deliver reliable protection.

Technical Specification	FSEX1	FSWX2	FSEX3	FSWX6	FSWX9
Capacity	1-litre	2-litre	3-litre	6-litre	9-litre
Fire Rating	5A 21B	8A 55B	13A 55B	21A 144B	27A 183B
