FIRE AND SECURITY

PART OF WARDOUR SECURE NETWORKS LTD

Data Sheet

Commander® offers one of the broadest ranges of portable fire extinguishers on the market today, solidifying its position as a true market leader. Over time, these extinguishers have proven to be a dependable choice for almost any situation, with guaranteed reliable performance.

RENOVATED CO₂ FIRE EXTINGUISHERS

COMMANDER®

Our renovated CO₂ fire extinguishers are an extremely cost-effective and economical solution for Class B and electrical fires. The manufacturing process involves the prevention of disposing good materials and instead reusing in the form of a renovated CO₂ fire extinguisher unit, meaning a much lesser impact on the environment. Old CO₂ fire extinguishers are shotblasted to remove all old paint and labels, new valve assemblies are then fitted, cylinders are refilled and then finally they are resprayed and labelled.

PRODUCT CODE
2C/TFPV | 5C/TFPV

PRODUCT GROUP
Commander CO₂ Fire Extinguishers

DIMENSIONS (cm)
(height x width x depth)
2C/TFPV: 51.5 x 18.5 x 22
5C/TFPV: 85 x 27.5 x 37

Technical Specification	2C/TFPV - SQUAT	5C/TFPV - SQUAT
Capacity	2kg	5kg
Fire Rating	34B	70B
Extinguishing Medium	CO ₂	CO ₂
Working Pressure	56 bar at 20°C	56 bar at 20°C
Temperature Range	-20° to +60°C	-20° to +60°C
Cylinder Material	Steel	Steel
Pressuring Gas	CO ₂	CO ₂

- Full range of spare parts available
- Corrosion-resistant finish
- 5-year warranty
