FIRE AND SECURITY

PART OF WARDOUR SECURE NETWORKS LTD

Data Sheet

Commander® offers one of the broadest ranges of portable fire extinguishers on the market today, solidifying its position as a true market leader. Over time, these extinguishers have proven to be a dependable choice for almost any situation, with guaranteed reliable performance. Additionally, the Commander 6-litre, 9-litre, 6kg, and 9kg models now feature exceptionally high fire ratings and are certified with the British Kitemark.

WET CHEMICAL FIRE EXTINGUISHERS

COMMANDER®

The Commander range of Wet Chemical extinguishers offers an ideal and effective solution for Class F fires. Both the 6-litre and 3-litre models are crafted from corrosion-resistant stainless steel. The 6-litre unit is designed for easy cleaning, making it perfect for commercial kitchens where hygiene is paramount. The 3-litre model is ideal for smaller kitchens, with easy removal from the bracket for cleaning. A stainless steel central strap securely holds the extinguisher in place, preventing accidental displacement.
