Data Sheet

Commander® offers one of the broadest ranges of portable fire extinguishers on the market today, solidifying its position as a true market leader. Over time, these extinguishers have proven to be a dependable choice for almost any situation, with guaranteed reliable performance. Additionally, the Commander 6-litre, 9-litre, 6kg, and 9kg models now feature exceptionally high fire ratings and are certified with the British Kitemark.

FLUORINE FREE FOAM EXTINGUISHERS

Businesses can better prepare for any environmental legislation regarding PFAS, while remaining confident that performance will not be compromised, thanks to CommanderEDGE's enviroFoam Fluorine Free Foam range. CommanderEDGE Fluorine Free Foam fire extinguishers boast incredible ratings: 27A 144B for 6-litre units and 34A 183B for 9-litre units. The internationally recognised BS Kitemark further assures this dependability in design and manufacturing.
